

CADENCE

Cadence features reflective, lavishly layered mirrored scrollwork, glass bobeches and iridescent crystal. The mirrored frame is incised with tiny floral motifs, revealing an inner mirrored plane beneath.

Cadence cuenta con adornos de voluta generosamente superpuestos que se reflejan, cazoletas de vidrio y cristal irisado. El armazón reflejado está grabado con pequeños motivos florales, revelando un plano interior reflejado debajo.

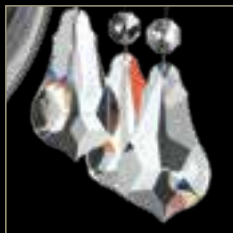

Cadence adopte une construction réfléchissante, généreusement superposée et se reflétant, des bobèches en verre et un cristal irisé. La suspension se reflétant est incisée avec des motifs floraux fantaisistes, révélant en dessous un plan intérieur se reflétant.

Cadence wartet mit reflektierenden, groszugig verspiegelten Verzierungen, Glas-Wachsfängern und changierenden, präzise handgeschliffenen Kristallen auf. Der verspiegelte Rahmen ist mit filigranen Blumenmotiven geschmückt und lenkt den Blick auf eine weitere, darunter liegende schimmernde Ebene.

«Cadence» presenta volute riflettenti, che si rispecchiano riccamente a strati, bobèche di vetro e cristallo iridescente. Il telaio speculare e inciso con minuscoli motivi floreali, rivelando un piano speculare interno posteriore.

Люстра Cadence с отражающим свет многослойным зеркальным орнаментом из завитков, стеклянными розетками подсвечников и переливающимся хрусталем. Зеркальная несущая конструкция украшена мелкими выгравированными цветами, с внутренней зеркальной проекцией в нижней части.
