

JASMINE

The simplicity of this design reveals the stunning beauty and value of its crystal. The crystal centerpiece features large angular facets that produce expansive rainbows of spectral light.

La simplicidad de este diseño revela la sensacional belleza y el valor de este cristal. La pieza central de cristal cuenta con grandes facetas angulares que producen arcos iris expansivos de luz espectral.

La simplicité de ce design révèle l'étonnante beauté et valeur de ces cristaux. La pièce maîtresse présente des facettes larges angulaires qui produisent de grandioses arcs-en-ciel de lumière spectrale.

Reines Kristall kommt in diesem schlichten Design in seiner ganzen Schönheit und Hochwertigkeit zur Geltung. Das zentrale Kristallelement bietet groszügige, abgeschrägte Facetten, die das gesamte Farbspektrum reflektieren.

La semplicità di questo design rivela la sorprendente bellezza e il valore del suo cristallo. L'elemento central di cristallo presenta ampie sfaccettature angolari, che producono arcobaleni estesi prodotti dalla luce dello spettro.

На фоне простоты такого оформления выделяется величие и достоинства хрустала. Центральная хрустальная часть выделяется крупными угловатыми гранями, переливающимися всеми цветами радуги.
