

LINTERNA

A design of relaxed elegance, Linterna is a beacon of the coast. Meaning “lantern,” Linterna offers an alluring interior glow, created by light cast on the design’s central focus, an extravagant crystal pendeloque.

Un diseño de elegancia relajada, Linterna es un faro costero. Linterna ofrece un resplandeciente brillo interior creado por la luz que irradia el centro del diseño, un extravagante cristal pendeloque.

Un design à l’élégance décontractée, Linterna symbolise un phare de la côte. Signifiant « lanterne », Linterna offre un éclat intérieur séduisant, créé par la lumière diffusée sur l’élément central du design, une extravagante pendeloque en cristal.

Die legere Eleganz von Linterna strahlt die Faszination eines Leuchtturms aus. Linterna, zu Deutsch „die Laterne“, leuchtet von innen aus einem kristallinen Pendel, das das Herz des extravaganten Designs bildet.

Simbolo di rilassata eleganza, Linterna è un faro di luce. Linterna – che prende il nome dal termine “lanterna” – diffonde dall’interno una luminosità affascinante, grazie alla luce proiettata sull’elemento centrale, uno stravagante cristallo a goccia.

Люстра Linterna сдержанного и элегантного дизайна символизирует береговой маяк. Ее название переводится как «фонарь». Сияя изнутри, лучи разбиваются об экстравагантную хрустальную подвеску – центральный элемент дизайна.
