

PLAZA

Plaza combines the glamour of Hollywood's golden age with modern confidence. Contrasting layers of square, rectangular, and octagonal crystals sparkle in clear and color varieties, resulting in alluring brilliance.

Plaza combina el glamour de la época dorada de Hollywood con moderna seguridad. Capas de cristales cuadrados, rectangulares y octogonales brillan en variedades claras y coloridas dando como resultado un brillo resplandeciente.

Plaza associe le glamour de l'âge d'or d'Hollywood à l'assurance moderne. Des couches contrastées de cristaux carrés, rectangulaires et octogonaux étincellent dans des variétés claires et colorées, créant une brillance élégante.

Plaza kombiniert den Glamour der Goldenen Ära von Hollywood mit einem lässig-modernen Selbstbewusstsein. Im kontrastreichen Spiel aus rechteckigen, vier- und achteckigen Kristallen in klarer oder verschiedenfarbiger Ausführung entsteht ein hypnotischer Tanz aus Licht.

Plaza coniuga il glamour dell'età d'oro hollywoodiana – dagli anni venti alla metà del secolo scorso – con un carattere moderno. Strati contrastanti di cristalli quadrati, rettangolari e ottagonali risplendono nelle varietà dai toni cristallini e colorati creando un insieme accattivante di pura brillantezza.

Plaza – это сочетание гламура золотой эпохи Голливуда и смелого современного стиля. Контрастные слои квадратных, прямоугольных и восьмиугольных кристаллов, прозрачных и разноцветных, приковывают взгляды роскошным сиянием.
