

RIVIERA

Honoring the rich, cosmopolitan lifestyle of the Riviera, this dazzling design radiates the same timeless sophistication. With a focus on remarkable design symmetry, tiers of precision-cut crystal drape from Riviera's open-air stainless steel framework.

Haciendo honor al rico estilo de vida cosmopolita de la Riviera, este deslumbrante diseño irradia la misma sofisticación atemporal. Con un enfoque en la magnífica simetría del diseño, hileras de cristal tallado con precisión caen del marco de acero inoxidable abierto de Riviera.

Rendant hommage au mode de vie aisé et cosmopolite sur la Riviera, ce design étourdissant rayonne de la même sophistication intemporelle. Alors que le design est axé sur une remarquable symétrie, des cristaux taillés avec précision et disposés sur plusieurs niveaux forment un drapé le long du cadre ouvert en acier inoxydable de Riviera.

Als Hommage an den üppigen, weltoffenen Lifestyle an der Riviera steht das gleichnamige, funkelnde Design für dieselbe Noblesse und Eleganz. Mit einem Sinn für absolute Designsymmetrie reiht sich präzise geschliffenes Kristall in Stufen vom frei hängenden Edelstahlrahmen.

In omaggio allo stile di vita ricco e cosmopolita della Riviera, questa sfavillante creazione emana un fascino senza tempo. Caratterizzata da un design perfettamente simmetrico, la struttura in acciaio inossidabile "open air" di Riviera è impreziosita da più strati di cristallo dal taglio preciso.

Этот изумительный дизайн, классический и утонченный, воплощает наше восхищение роскошным и космополитичным стилем жизни Riviera. Главное здесь – необычайная симметрия точно ограненных кристаллов, подвешенных ярусами на ажурную основу из нержавеющей стали.
